

## Head Teachers Note:

Hi all,

We are very excited today as our older children get ready to perform live in the Children in Need choir. I do hope you are able to watch it on television this evening. Although we do not have an exact time, we are expecting it to happen between 8.30pm-9.00pm.

Thank you for allowing your children to participate by dressing in their pyjamas today and bringing money for cakes - it really is a lovely day for the children. Very particular and special thanks must go to all of you who have made or donated cakes today for this very worthwhile cause. We will update you next week on how much money we raise.

Julie Bratt

### RoSPA - Driveway Safety Campaign

Not all car accidents involving children occur on the road. RoSPA research shows that at least 39 children have been killed on, or near, the driveways of their home since 2001; 28 of these accidents have occurred since 2008. Tragically, in most of these cases, an adult member of the child's family, a neighbour or a visitor to the house was driving the vehicle.
