

Head Teachers Note:

Hi everyone

Our 4/5s have been out to an art exhibition and class at St Mary's Church this week, which the children really enjoyed. I think we are very fortunate to have events we are able to access within the local community. Such activities clearly enrich the curriculum that the children engage with in school.

Thank you to those parents who have attended workshops this week. We look forward to seeing you at our Writing workshops in the Spring term. Of course we have parents' evening coming up shortly. We do hope that you are all able to attend. We know the children are very keen for you to see their books and it is so important for you to be able to talk with your child's teacher in order to discuss their progress and anything else of relevance.

School milk is free for under-5s, and for over-5s it is available at a subsidised price. Each child that registers with Cool Milk will receive a 189ml portion of semi-skimmed milk every day, delivered fresh and chilled to the classroom. Their school milk will not only provide them with essential nutrients, but as it is rehydrating and energy boosting it also bridges the gap between breakfast and lunch to help children stay focused.
