

Head Teachers Note:

Hi everyone

It is lovely to see pupils coming in smiling every day and the majority, I am happy to say, come in on time every day. This means that their start to the day is smooth and calm. They get to chat to their peers as they unpack their bags and walk into class. They are ready to start learning activities by 9:00am at the latest. A child who comes in late has to hurriedly unpack their bag and go straight into learning, which has already started. It is not a calm start to the day and children have told us they feel embarrassed when they come in late.

We allow a generous 10 minutes in which children should come into school and we urge those parents who are often late to try to get here on time to enable your child to have a calm and happy start to the day too. Thank you for your support.
