

## Head Teachers Note:

Hi everyone

Years 4 and 5 had a fantastic time out at the nature reserve yesterday. It is so important that we explore what the local area has to offer and we are very grateful to the volunteers from the nature reserve for making it such an excellent visit. Thank you to parents and grandparents who accompanied the children on the outing, which was linked with their topic, 'Traders and Raiders'. The children foraged for natural resources to make Viking clothing dyes in Science.

Our new thematic approach to the wider curriculum was also very apparent in Year 6's class assembly yesterday. The knowledge base that the children have acquired in their topic 'Blood Heart' is impressive. The assembly itself encompassed science, fitness, and Greek mythology but in class we can see how children's literacy is intrinsically linked with the topic also. Please look on your child's class page, on the website, for more information about what the children are studying.
