

## Head Teachers Note:

Hi everyone

I didn't get chance to mention in last week's note about the success of the visit to Years 1 and 2 by 'The Zooman'. He brought a range of living creatures in and delivered so much information and knowledge that not only were the children enthralled from start to finish, but they learned so much too. The staff were extremely impressed with the quality of his presentation and it was a perfect start to their new topic.

We will continue to provide such opportunities within school as recent visits have proved invaluable. Sometimes it is necessary to take an educational visit outside of school however not only are we seeing that visits to school also provide children with a rich learning diet (sometimes better) but are more affordable to you as parents!
