

Head Teacher's Note:

Hi everyone

Well, we have made it through to half-term which is a feat in itself. I'd like to thank the children - who have been brilliant; staff who have worked extremely hard in what has been a very different start to the year and you as parents who have been so supportive of the school and the measures we have put in place.

Our week off is timely as I think everyone needs a break now which just leaves me to say have a great week and keep safe!

Julie Bratt

Parking

Please ensure that you do not park on the yellow zigzag lines or block our neighbours' entrances.

We have received complaints from local residents about driveways being blocked and cars exceeding a safe speed limit. It is an offence to block a resident's driveway so that they cannot exit their property.

Child safety

Please support us in ensuring your children use the paths and crossings when walking into and out of school. Although we limit traffic at these times, children, for their own safety, need to understand it is unsafe to walk on the road.

If your child is scooting to school, please ensure they are mindful of other children walking on the pavement.

Twinkling Stars

We currently have some vacancies in our brand new baby room, which opened in September. For more information ring 01902 372558 (opt 1) or email

nursery@albrighton-pri.shropshire.sch.uk

If you are unable collect your child up and require somebody else to collect them, please give us advanced notice as it may not be possible to communicate the message to the class last minute.

PE Kits

Please ensure your child has the correct PE kit and that all items are labelled with their name.

Outdoor PE: Navy blue joggers (can be shorts in warm weather) plain white t-shirt, navy blue sweatshirt (can be school uniform one) and black trainers.

Indoor PE: Navy blue shorts, plain white t-shirt, black plimsolls and a pump bag (ones with school logo are available for purchase).

Only PE items listed above are acceptable.

Christmas Card Project

During the coming week your child will be bringing home artwork that can be made into Christmas cards and gifts. Look What We Did!

RAF Cosford Museum

A group of Year 4 children were asked by Cosford Museum to come and interview the project team who are managing the new play area. All of the children were really excited and are going to appear on a promotional video.

Halloween

A number of activities have been taking place this week that have a Halloween theme. The special lunch on Thursday cooked by Vicky and her team was a huge success and was enjoyed by children and staff alike.
