

Newsletter 26 - 10th June 2022

Headteacher's Note:

Hi everyone,

I hope you all had a lovely week off!

As always, there will be lots going on over the next half-term, so please take time to read and keep a copy of the letter coming out to you with dates of events on.

I always think this is an exciting time of year in school and although it is one of mixed emotions as we look to be saying goodbye to a number of our school community, it is also one where we are able to look forward and get excited about things to come.

In my assembly with the children earlier in the week, they were able to think of many things that make this half-term special. I think it will be doubly precious this year as we are now able to welcome you all back into school to enjoy activities with us. Here's to a good end to 2021-22!

Kind Regards
Julie Bratt

Calling Keen Gardeners

Do you have an hour spare to help us maintain our new Jubilee Garden? We are looking for volunteers who can weed the garden and keep it looking beautiful.

We would also like to start a Gardening Club. Are you someone who loves to garden and have a spare hour a week where you could help us set up a new gardening club at Albrighton?

If you feel you could spare an hour a week in a lunchtime or after school and could support us with our gardening club, then please email the school office for the attention of Mrs Tearle.

Within our garden we have an allotment space to grow vegetables as well as flower beds.
