Only our best will do!

Albrighton Primary School

Homework Policy

Written September 2023

Reviewed October 24

Intent

At Albrighton Primary School, we believe that homework should allow children to consolidate and extend learning that has taken place in the classroom, whilst also providing opportunities to practice the essential skills which enable children to learn effectively. Our aim is that children will enjoy extending their learning, and sharing their successes by showing their families what they are able to do.

On average the weekly expectation for homework will be:

Year Group	**Average weekly expected time**	**Make up of homework**
Reception	30 minutes	Reading (small amounts of time but often) Ideally every day Handwriting Red words
Years 1 & 2	30 – 40 minutes	Reading (at least 10 minutes 3 x weekly) Ideally everyday Spellings Year 2 Times tables (TT Rock Stars)
Years 3 & 4	60 minutes	Reading (at least 3x a week) Spellings Times Tables (TT Rockstars or times table activity)
Year 5 & 6	60 minutes	Reading (at least 3x a week) Spelling Mental arithmetic activity SATS companion Activity – English and Maths

Children will be given a minimum of five nights to complete any homework given. This will include a weekend which allows children with busy weekends to complete homework on school nights while children with commitments in the evening can plan time over the weekend to complete their work.

Pupils should not be expected to spend significantly more time on homework than is

suggested. If pupils encounter difficulties with any homework it should be brought back to school the next day to ask the class teacher for help.
