<tr><td colspan="2"><u>Reading</u>

Daily reading in class.
Phonics phase 3,5 and 6.
Weekly spellings linked to phonic sounds.
Year 2 reading comprehension.
Books linked to theme.</td><td colspan="2"><u>Topic – Beachcombers</u>

Oh, I do like to be beside the seaside. Do you? That's good, because you're about to become an expert beachcomber. Take a peek into the cool water to learn about the weird and wonderful animals and plants in their microhabitats. Maybe we can kick back in a deckchair and do a little reading. What's your favourite book about the seashore? Got your shorts and sunglasses on? Bucket and spade at the ready? Let's get beachcombing.</td><td colspan="2"><u>Science</u>
Animals needs for survival

Children will learn about the different groups of animals and how to identify these. They will look at what each animal group needs to survive – food, air, shelter and water.</td></tr>
<tr><td><u>Computing</u>

Technology around us.

Children will use paintz.app to develop their mouse and keyboard skills.</td><td><u>PHSE/RSE</u>

Aiming High
Children will learn about having high aspirations. They will start by discussing positive views of themselves and will then identify how having a positive learning attitude can help them tackle and achieve new learning challenges and improve learning outcomes.</td><td><u>Music</u>

Sparkyard - beat and pulse

Children will learn to show the beat in different ways, working towards playing an instrument keeping to a beat.</td><td><u>Memorable experiences</u>

'Going to the Beach' Day</td><td>Useful information
