21st October 2024

Dear parents and carers,

After the success of the reindeer experience last year, we are hoping to run this again in December but with an alternative provider, Willow Brook Reindeer. This will be a different more magical and educational experience to last year with the addition of elves accompanying the reindeer and delivering a talk. Following this, each phase will be involved in the creative writing projects outlined below- all focussed on our special visitors.

Reception- Instructions- How to look after reindeer

Year 1 and 2- Descriptive writing

Year 3 and 4- Non-chronological reports

Year 5 and 6- Poetry

We've had so many children across the school asking whether we are having the reindeer again this year, so we are pleased to be able to offer this again. In order for us to provide these different experiences, we do need to ask for a voluntary contribution from parents. We would be grateful of a £3 contribution per child, which can be paid via parent pay.

Thank you for your support.

Kind regards,

Mrs Short, Mrs Browne and Mrs Ashworth
