19th December 2024

Dear Parents and Carers,

I can't quite believe that we are at the end of this term already, it seems to have flown by.

It has been a successful term in so many ways, with so much for us to celebrate. I'm really pleased that we now have a much better school website where we can share so much of the exciting learning and achievements that your children are experiencing at school. We have also made some changes to our classroom, corridor and outside environments that have really impacted on children's learning and wellbeing.

We have been working hard to improve our whole school attendance this term. Unfortunately, we haven't made our target yet, but our percentage is improving. Next term, we will continue to support our pupils to reach our target of over 96%.

Over the term it has been fabulous to see so many of you attending our learning workshops and our fun experiences. These last few weeks, we have been overwhelmed with the support you have shown us with your attendance at our many Christmas events. I'd also like to thank you for supporting our children's enterprise, Christmas Fair and Elfridge's shop. These events have provided children with the opportunity to use real money, making decisions on how to spend it, which is a crucial part of maths and personal development. We are very lucky to have some amazing volunteers in the PTA who do so much. They are always on the look out for new volunteers, so if you think you could spare a bit of time to help, then please get in touch.

Thank you again for your continued support this term and I wish you a very merry Christmas and happy new year.

Kind regards,

K. Tearle

Karen Tearle
