Autumn Term Sports Newsletter – 'TEAM APS'

This term has been a fantastic display of talent, determination, and teamwork across various sporting events. Here's a look at what we've achieved so far and what's to come in the spring term:

Thursday 17th October - KS2 Sportsability Athletics

This was a truly special competition for children who don't always have the opportunity to shine in mainstream sports or making their debuts. We had 5 children making their debuts, and they were amazing as they participated in running and field events. It was heartwarming to see their enthusiasm and efforts on display!

Thursday 22nd October - KS2 Cross Country at Chetwynd Deer Park

A challenging course awaited 31 of our Year 3-6 children, with over 100 participants in each race. Our runners gave their all, with everyone finishing in the top 50, and many securing spots in the top 25 and top 10—a phenomenal achievement on such a tough track!

Monday 4th November - Year 3/4 Friendly Fixture (Home)

Our Year 3/4 team hosted St Dominic's Brewood for a thrilling game filled with goals! It was an especially proud moment as 6 girls made their debuts, showing incredible skill and teamwork. What a start to their football journey!

Wednesday 6th November - Year 5/6 Girls Friendly Fixture (Away)

Our Year 5/6 girls faced St Dominic's Brewood in an intense and physical game. Despite the tough competition, the girls showed grit and determination. It was a fantastic practice match that sets the stage for future success.

Thursday 14th November - Year 3/4 Cricket

Three children made their cricket debuts in this exciting match. Both new and experienced players impressed with their skills developed during our striking and fielding lessons. There was some brilliant batting and fielding on display—well done to all!

Tuesday 26th November - Year 5/6 Girls County Cup Area Finals

In freezing conditions, our girls 'team competed with the youngest squad at the finals. Despite the weather and tough competition, they battled hard, finishing 3rd with only two points separating the top three teams. Their fantastic performance earned them a spot to represent East Shropshire in the next round—an incredible achievement!

Looking Ahead to the Spring Term…

We are excited for the upcoming competitions, which include:

- KS1 Cricket
- Year 5/6 Dodgeball
- U11 Girls Football
- U11 Boys Football
- Gotta Dance
- U9 Girls Football
- U9 Boys Football
- Cross Country Race 2

Thank you to all the children, staff, and parents for making this term's sporting events so memorable. We look forward to continuing this success into the spring!
