Monday 20th January 2025

Dear Parent Carer

It has been really helpful to meet parent carers in our previous meetings and for me to be able to share your views with the school. This next meeting will give you opportunity to find out more about the work that Albrighton Primary school has been doing on the PINs project to support children with SEND

I have arranged a new date for our Spring term meeting for you to put into your diaries.

The meeting will be held on Thursday 6th March 2025 from 2-3pm

I will send an agenda to school nearer the time.

For those who were unable to attend the previous meeting, we still encourage you to join us for the following ones. The input of parent carer experience and views are a vital element of the PINS project. Input from Parent Carers will help improve support for children with additional needs within your school, alongside the training package being offered to school staff.

The Parent Carer Participation Group is for all parent carers of children with Special Educational Needs and Disability (SEND); no diagnosis or EHCP is required.

Please try to join us and encourage other parent carers to come along too.

I look forward to seeing you.

Yours sincerely,

Simone Goward

Parent Carer Liaison Lead

PACC
