SWIMMING NEWSLETTER

MARCH 2025

Our lessons follow the STA School Swimming Academy framework

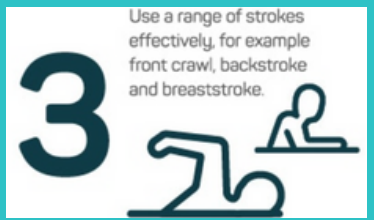

Swimming and water safety is a statutory element of the National Curriculum for physical education in England.

This means that every 11-year old child should leave primary school with the skills to keep themselves safe while enjoying swimming with friends and family.

The national curriculum outlines different skills and outcomes to private swimming lessons:

The awards your children will achieve at school may not align to what they may have already achieved or be working towards at a private swim school - e.g. a Level 2 private swimmer may achieve a Level 4 school swim award or a Level 3 private swimmer may achieve a Level 2 school swim award.

Swimming lessons at Albrighton Primary School & Nursery will run from May 2025 onwards for children in Years 3 to 6. You will shortly receive a Ping message from school with information about school swimming lessons.

Please complete the form at https://forms.office.com/r/rQM0WasNfe so we can help your child/ren get the most out of their school swimming lessons. When your child has been allocated to their lesson, you will be able to follow their progress on our secure app: **Soakly**

- Please remember to send your child/ren to school with their correct kit (towel, swimwear and bag) and medication if needed (e.g. inhaler)
- If your child wears goggles and/or a swim cap, please make sure they can put these on by themselves
- In line with the school's uniform policy and to ensure everyone's safety in the pool, **earrings must not be worn during swim lessons**

If you have any questions about swimming lessons at Albrighton Primary School & Nursery, please email wave7s@hotmail.com or visit our Facebook page: www.facebook.com/WaVe7s

Thank you for your support!
