Consider Yourself

Consider yourself at home,
Consider yourself one of the family.
We've taken to you so strong,
It's clear we're going to get along!

Consider yourself well in,
Consider yourself part of the furniture.
There isn't a lot to spare;
Who cares? Whatever we've got we share!

If it should chance to be we should see some harder days,
Empty larder days, why grouse?
Always a chance we'll meet somebody to foot the bill,
Then the drinks are on the house!

Consider yourself our mate,
We don't want to have no fuss,
For after some consideration, we can state:
Consider yourself one of us.

Consider yourself at home,
Consider yourself one of the family.
We've taken to you so strong,
It's clear we're going to get along!

Consider yourself well in,
Consider yourself part of the furniture.
There isn't a lot to spare;
Who cares? Whatever we've got we share!

Nobody tries to be lah-di-dah and uppity,
There's a cup o' tea for all,
Only it's wise to be handy wiv a rolling pin,

When the landlord comes to call!
Consider yourself our mate,
We don't want to have no fuss,
For after some consideration, we can state:
Consider yourself one of us.

Good to be Me (Signed)

One, two, three,
Good to be me,
One, two, three.

One, two, three,
Good to be me,
One, two, three.

One, two, three,
It's good to be me,
And I want the world to know,
It's good to be me.

One, two, three,
It's good to be me,
And I want the world to know,
It's good to be me.

I'm a special person
And there's only one of me,
And no one else is prouder
Of the person that is me.

One, two, three …

One, two, three,
It's good to be me,
And I want the world to know,
It's good to be me.

One, two, three,
It's good to be me,
And I want the world to know,
It's good to be me.

I'm a special person
And there's only one of me,
And no one else is prouder
Of the person that is me.

One, two, three …

I’m a special person
And there’s only one of me,
And no one else is prouder
Of the person that is me.

One, two, three …

One, two, three …

Nobody Knows

Nobody knows how to say goodbye,
It seems so easy till you try.
Then the moment’s passed you by.
Nobody knows how to say goodbye. Mm

Nobody knows how to get back home,
And we set out so long ago.
Search the heavens and the earth below.
Nobody knows how to get back home. Mm

Through the darkness to the dawn,
And when I looked back you were gone.
Heard your voice leading me on,
Through the darkness to the dawn.

Love is deep as the road is long,
And moves my feet to carry on.
Beats my heart when you are gone.
Love is deep as the road is long. Ooh

Nobody knows how the story ends.
Live the day, do what you can.
This is only where it began.
Nobody knows how the story ends,
Nobody knows how the story ends.

Reach Out (I'll be There)

Now if you feel that you can't go on,
Because all of your hope is gone,
And your life is fill'd with much confusion,
Until happiness is just an illusion,
And your world around is crumbling down;
Darling, reach out, reach out.

I'll be there, with a love that will shelter you,
I'll be there, with a love that will see you through.

When you feel lost and about to give up,
Cos your best just ain't good enough.
And you feel the world has grown cold,
And you're drifting out all on your own,
And you need a hand to hold;
Darling, reach out, reach out.

I'll be there to love and comfort you.
I'll be there, to cherish and care for you.
I'll be there, to always see you through,
I'll be there, to love and comfort you.

I can tell the way you hang your head,
You're without love, now you're afraid.
And through your tears you look around,
But there's no peace of mind to be found,
You're alone now, no love of your own.
Darling, reach out, reach out.

I'll be there to give you all the love you need,
I'll be there, you can always depend on me.
I'll be there to always see you through,
I'll be there, to love and comfort you.

Sing

Some words they can't be spoken only sung.
So hear a thousand voices shouting love.
There's a place, there's a time in this life when you sing what you are feeling.

Find your feet, stand your ground, don't you see right now the world is listening to what we say?

Sing it louder, sing it clearer, knowing everyone will hear you.
Make some noise, find your voice tonight.
Sing it stronger, sing together, make this moment last forever.
Old and young shouting love tonight.

To sing we've had a lifetime to wait (Wait, wait, wait)
And see a thousand faces celebrate. (We have to celebrate)
You brought hope, you brought light, conquered fear, no it wasn't always easy.
Stood your ground, kept your faith, don't you see right now the world is listening to what we say?

Sing it louder, sing it clearer, knowing ev'ryone will hear you.
Make some noise, find your voice tonight.
Sing it stronger, sing together, make this moment last forever.
Old and young shouting love tonight.

Some words they can't be spoken, only sung.
To hear a thousand voices shouting love and life and hope.
Just sing. (x2) Just sing. (Oh, yeah) (x3)

Sing it louder, sing it clearer, knowing ev'ryone will hear you,
Make some noise, find your voice tonight.
Sing it stronger, sing together, make this moment last forever.
Old and young shouting love tonight.

Hear a thousand voices shouting love.

Stargazing

Time stood still
Just like a photograph
You made me feel like this would last forever
Looking in your eyes
I see my whole life

(Oh-oh-oh)
They say you know it when you know it, and I know
(Oh-oh-oh)
Promise that you'll hold me close, don't let me go
(Hey!)

Take my heart, don't break it
Love me to my bones
All this time I wasted
You were right there all along
You and I stargazing
Intertwining souls
We were never strangers
You were right there all along

I lose my mind
When I'm around you, how I come alive
When I'm without you, I can't help but feel so lost
I wanna give you all I've got

(Oh-oh-oh)
They say you know it when you know it, and I know
(Oh-oh-oh)
Promise that you'll hold me close, don't let me go
(Hey!)

Take my heart, don't break it
Love me to my bones
All this time I wasted
You were right there all along
You and I stargazing
Intertwining souls
We were never strangers
You were right there all along

All along

Take my heart, don't break it
Love me to my bones
All this time I wasted
You were right there all along
