Lesson details:
The instrumental lessons cover a wide range of different styles of music. Musical grade exams are available for students to take as they progress. Students are encouraged to perform and compose original music.

We will host a minimum of two concerts in school during the year, which will give students the opportunity to perform. Parents and guardians will be invited to see their children perform. I will notify you when dates have been finalised.

FREE Membership Access: Students will receive access to an exclusive members area through Loud Hall Music's website: https://www.loudhallmusic.co.uk
Through the members area you will be able to view the sheet music for all of the songs required for lessons (and more).
You will be given your members access code upon receipt of payment.

We look forward to teaching your child.

Learning to play a musical instrument offers a child the chance to learn a skill which they will have for the rest of their life. This activity will give hours of enjoyment and social interaction which may lead to many friendships being forged.

Please feel free to contact office@loudhallmusic.co.uk or the school if you wish to find out more.

Yours sincerely,

Mr William Hall
