Dear Parents and Carers,

As many of you are aware, this is the time of year when teachers are busy writing end of year reports, and we start to think about the classes for next year. Towards the end of term, we always have a morning for transition, where children get to spend time in their new classrooms with their new teacher and classmates. Historically, children have been told on the morning of this, who their teacher will be, but we realise for some children, hearing this news in front of everyone in the hall can be overwhelming so we are making a change this year.

We will be sending the end of year reports home on Wednesday 9th July. Within the envelope, there will be a letter to inform you who your child's next teacher will be. The following day on the 10th, will be the 'moving up' morning. We do hope this will reduce some of the anxiety around the transition.

We spend a lot of time considering our new classes as there are many things we must reflect on such as: friendships, ability, mix of children, SEN and behaviour, to ensure a correct balance so teaching can be optimised. I know children can be disappointed if they aren't in a class with a particular friend, but it is highly likely, as we split into year groups for certain subjects, that they will find themselves with these friends at some point through the day. We do ask for your support in explaining this to your child if they are upset in any way.

We also understand that some children will require extra support and work for transition. If you have any concerns about the transition for your child, then please contact your child's teacher or Mrs Chambers so they can talk this through with you.

The end of term is always a very busy one but also an extremely exciting time to enjoy wonderful events and opportunities. Please check out the diary dates shared in the weekly newsletter or on the school website.

Kind regards,

K. Tearle
