18th December 2025

Dear Parents and Carers,

As we approach the end of the autumn term and look forward to the festive season, I wanted to take a moment to reflect on the wonderful achievements and experiences we have shared over the past few months. It has been a busy and rewarding term, filled with learning, creativity, and community spirit. I am incredibly proud of how our pupils have embraced every opportunity and demonstrated such enthusiasm and resilience.

Highlights from this term

- **Learning and Achievement:** Our pupils have worked incredibly hard across all subjects, showing great progress and a love for learning.
- **Special Events:** We have enjoyed visits out in the community, welcomed visitors and enjoyed special assemblies as well as welcoming families to our parent workshops, lunches and musical concerts, which were a great success.
- **Trips and Activities:** Classes have taken part in exciting educational visits and enrichment activities that have brought learning to life.
- **Community Spirit:** Our charity fundraising events were a wonderful example of kindness and generosity—particularly the sponsorship of Ellie, Hugo's mum, helping her to raise an incredible £18,336 for Birmingham Children's Hospital - thank you for your support!

Two very exciting developments for us at Albrighton Primary School:

- We are proud to have become part of the **Four Hills Education Trust** and were delighted to take part in the fabulous launch event in November as one of the five founding schools involved.
- The opening of our new **SEND resource hub – The Horizon** has been a significant milestone. It is wonderful to see seven pupils already settled and flourishing in this supportive environment.

Looking ahead to next term

We have lots to look forward to, including:

- Further exciting educational visits
- Maths parent workshops to support learning at home
- A special Mother's Day event
- More well-being workshops and support for children with Katie, our Happiness Coach

- Increased collaboration with our MAT schools
- And many more opportunities to enrich learning and promote well-being

I'd like to thank you for your continued support in helping us ensure 'only our best will do!' – we are so lucky to have so many of you join us for our events and we look forward to seeing you in the new year.

Finally, I would like to thank the wonderful staff that work tirelessly to help our school be the best it can be and support children to flourish. I'd like to wish them and you a very merry Christmas and a happy and healthy new year.

Kind regards,

K. Tearle
