BECOME A HOST FAMILY

We are looking for families who can offer a safe, welcoming home environment for one of our young players aged 14-18.

You will provide a spare bedroom and the support needed to help them grow in **confidence, independence, and life skills,** both on and off the pitch, as they develop into young men.

Our ideal host family is based locally (or within a reasonable distance) of our training ground or Thomas Telford School.

You will **not be expected to take on parental responsibility.** Instead, you will work alongside the club and maintain a positive relationship with the player's parents, forming an important support network around the young person.

In return, we offer:

- Financial support
- Ongoing training and guidance
- Dedicated support from the club

If this is something you'd like to learn more about, we would love to hear from you:
