A Letter from the Headteacher to Year 6 Pupils and Their Families

Dear Parents, Carers and Year 6 Pupils,

As we reach the end of another school year, I would like to take this opportunity to wish you all the very best as you prepare to leave our primary school and begin the exciting journey ahead at secondary school.

To our Year 6 children: what a privilege it has been to watch you grow during your time with us. You have developed into thoughtful, capable and resilient young people, and you should be incredibly proud of all you have achieved. Whether your successes have been in the classroom, on the sports field, on the stage, or simply through acts of kindness and friendship, each of you has made a valuable contribution to our school community.

Moving on to a new school can bring a mixture of excitement and nerves, and that is perfectly normal. Remember that the qualities you have developed here—curiosity, perseverance, respect and confidence—will help you embrace new opportunities, make new friends and overcome any challenges that come your way. Believe in yourselves, be proud of who you are, and never be afraid to ask for help when you need it.

To our parents and carers, thank you for your support, encouragement and partnership throughout your child's primary school journey. Your involvement has played an important role in helping your children flourish, and we are grateful for the trust you have placed in us. Watching our Year 6 pupils reach this important milestone is a reminder of how far they have come and how bright their futures are.

Although your time at our school is coming to an end, you will always remain part of our school family. We hope you leave with happy memories, lasting friendships and a strong sense of pride in all that you have accomplished.

As you take your next steps, we wish you every success, happiness and opportunity. Be brave, be kind, work hard, and most importantly, be yourselves. We cannot wait to hear about all the wonderful things you achieve in the years ahead.

Good luck, Year 6. We are incredibly proud of every one of you.

With warmest wishes,

K. Tearle
