Wednesday 09 September 2026

Dear Parents and Carers,

We are delighted to share the exciting news that swimming lessons will begin for our pupils from **Tuesday 15th September**.

Swimming is an incredibly important life skill, and we are very pleased to be able to offer regular swimming lessons as part of our curriculum.

Our swimming instructor, Lawrence, will be teaching lessons every Tuesday, Wednesday and Thursday. Before lessons begin, Lawrence will be visiting classes this week so that children can meet him, become familiar with him and ask any questions they may have about swimming.

The swimming timetable will be as follows:

Tuesday

- Year 1 Supernovas/Cosmic Comets *(Taught by Mrs Evans in a morning)*
- Skyflyers (year 3 and 4)
- Adventurers (Year 5 and 6)

Wednesday

- Year 1 Shooting Stars/Cosmic Comets *(Taught by Mrs Ashworth in a morning)*
- Stargazers (Year 3 and 4)
- Voyagers (Year 5 and 6)

Thursday

- All of year 2 *(Taught by Mrs Warren in a morning)*

- Starships (Year 3 and 4)
- Explorers (Year 5 and 6)

Children in the Horizon Hub will take part in swimming sessions at various points throughout the week in small groups.

Parents of Reception, please do not worry as your child will be swimming at a later date and we will inform of these dates soon. Reception children will begin their swimming lessons during the Spring Term, once they have had time to settle into school life.

What children will need

Please ensure your child brings:

- A towel
- A suitable swimming costume or swimming trunks

We would ideally like children to wear a bright, block-coloured costume where possible, as this helps visibility under the water.

Children are also welcome to bring:

- Swimming goggles
- Pool shoes

We are very much looking forward to providing this valuable opportunity for our children and helping them to develop confidence and important water safety skills.

If you have any questions, please do not hesitate to contact the school office.

Kindest regards

Mrs Evans

KS1 Lead
