Wednesday 09 September 2026

Dear Parents and Carers,

We are very excited to share that we are hoping to offer our Year 2 children the opportunity to take part in a residential trip to Kingswood!

The residential will be a one-night stay, with two full days of exciting activities and experiences. We had a fantastic time on our residential last year, and the children absolutely loved their experience. We are therefore hoping to offer our current Year 2 children the same wonderful opportunity.

What will the children do?

During their stay, the children will have the chance to take part in a wide range of exciting experiences, including:

- Outdoor adventure activities
- Spending time with and learning about animals
- Creating natural art using the world around them
- Exploring and enjoying the great outdoors
- Learning some important independence skills — including how to make their own bed!

There will be lots of opportunities for the children to challenge themselves, try something new, work as a team and develop their confidence and independence, all while having lots of fun.

Food

Lunch on both days and breakfast on the second day will be provided by Kingswood. For their evening meal, children will be able to bring a packed tea from home. This means you can pack

whatever your child is most comfortable and familiar with — including all of their favourite comfort foods!

Trip Details

Date: This will be confirmed when we can confirm numbers but will likely be early February next year.

Cost: £89

A 25% deposit will be required within the next few weeks to secure your child's place. However, at this stage, we are only asking for an expression of interest. No commitment or payment is required just yet.

Parent Information Meeting

Before any final decisions are made, I will hold a parent information briefing on **Friday 18th September at 3.30pm**. This will be an opportunity for you to find out more about the residential, ask any questions you may have and discuss any concerns before deciding whether you would like your child to attend.

We completely understand that a residential stay can feel like a big step for both children and parents, particularly if this is your child's first time away from home. We will do everything we can to make the experience exciting, enjoyable and reassuring for everyone.

We are really looking forward to hopefully giving our Year 2 children the opportunity to create some very special memories together!

If you would be interested in your child attending the residential, please complete the expression of interest through school ping by Wednesday 16th September 2026. Please note, Kingswood do need a certain number of children to attend to make the trip viable.

Kindest regards,

Mrs Evans
