17th November 2026

Dear Parents and Carers,

We are very fortunate to be part of a supportive local community and greatly value the positive relationships we have with our neighbours. Recently, concerns have been raised regarding parking and vehicle movements around the school at drop-off and collection times.

We understand that these are often busy periods and that finding a parking space can sometimes be challenging. However, we kindly ask all parents and carers to always park responsibly and considerately. This includes:

- Parking legally and safely.
- Avoiding blocking driveways, access points, or dropped kerbs.
- Being mindful of residents' access to their homes and properties.
- Not stopping or parking on pavements where this may obstruct pedestrians, pushchairs, or wheelchair users.
- Observing any parking restrictions and road signage around the school.
- If you are unable to walk your child to school, if possible, park away from Newhouse Lane and walk up.

As a school, we want to ensure that everyone can arrive and leave safely while maintaining positive relationships with our neighbours. We ask that all members of our school community show courtesy and respect to residents, helping us to be good neighbours and positive representatives of our school.

We appreciate your support and cooperation in this matter and thank you for helping us to keep our children safe and our community relations strong.

Kind regards,

K. Tearle

Headteacher
